TRUSTEES' RESPONSIBILITES AND APPROVAL

ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

The trustees are required by the Trust Property Control Act, 1988, and the trust deed, to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the trust as at the end of the financial year and the results of its operations and cash flows for the year then ended, in conformity with its accounting policies. The external auditors are are engaged to express an independent opinion on the annual financial statements.

The financial statements are prepared in accordance with International Financial Reporting Standards for Small and Medium - sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The trustees acknowledge that they are ultimately responsible for the system of internal financial controls established by the trust and place considerable importance on maintaining a strong control environment. To enable the trustees to meet these responsibilities, the board of trustees sets out standards for internal control aimed at reducing the risk of error or loss in a cost - effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the trust and employees are required to maintain the highest ethical standards in ensuring the trust's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the trust is on identifying, assessing, managing and monitoring all known forms of risk across the trust. While operating risk cannot be fully eliminated, the trust endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The trustees are of the opinion, based on the information and explanations given by management, that the system of internal controls provides reasonable assurance that the financial records may be relied on for the presentation of the financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The trustees have reviewed the trust's cash flow forecast for the year to 31st December 2017 and, in the light of this review and the current financial position, they are satisfied that the trust has or has access to adequate resources to continue in operational existence for the foreseeable future.

Although the board of trustees is primarily responsible for the financial affairs of the trust, it is supported by the trust's external auditors.

The external auditors are responsible for independently auditing and reporting on the trust's financial statements. The financial statements have been examined by the trust's external auditors and their report is presented on pages 2 to 4.

The annual financial statements set out on pages 5 to 26, were approved by the board of trustees on the 15th March 2017 and were signed on its behalf by:

Nico Roozen Utrecht, 15th March 2017

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES

THE SOLIDARIDAD NETWORK SA TRUST TRUST NUMBER 1419/2012

Unqualified Opinion

We have audited the financial statements of The Solidaridad Network SA Trust, set out on pages 6 to 20, which comprise the statement of financial position as at 31 December 2016, and the statement of comprehensive income, statement of changes in reserves and statement of cash flows for the financial year then ended, and the notes to the financial statements, including a summary of significant accounting policies

In our opinion, the financial statements fairly present, in all material respects, the financial position of The Solidaridad Network SA Trust, as at 31 December 2016, and of its financial performance and its cash flows for the year then ended in accordance with its accounting policies, International Financial Reporting Standards for Small and Medium - sized Entities and the Trust Deed.

Basis for Unqualified Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the Independent Regulatory Board for Auditors Code of Professional Conduct for Registered Auditors (IRBA Code), together with the ethical requirements that are relevant to our audit of financial statements in South Africa. We have fulfilled our other ethical requirements in accordance with these requirements and th IRBA Code. The IRBA Code is consistent with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (Part A and B). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Board of Trustees is responsible for the other information. The other information comprises the Report of the Trustees and the programme statements of comprehensive income for the 2016 and 2015 year. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Key Audit Matters

No Key Audit Matters were identified during the current year audit.

Responsibilities of Management and Those Charged With Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with their accounting policies and the requirements of the Trust Deed, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Trust's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opin Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. Howev future events or conditions may cause the Trust to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- obtain sufficient appropriate audit evidence regarding the financial information of the business activities within the trust to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the trust audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be brought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences.

NOTES TO ANNUAL THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016

1. ACCOUNTING POLICIES

The financial statements have been prepared on a going concern basis and in compliance with the International Financial Reporting Standard for Small and Medium-sized entities (IFRS for SMEs) issued by the International Accounting Standards Board. They are presented in South African Rand currency units and Euros. The measurement basis used is the historical costs basis, except where otherwise stated in the accounting policies below.

1.1 Accounting convention

The trust is registered with the Master of the High Court under the Trust Property Control Act, 1988, and, as such no part of its income or property shall be transferred to its trustees directly or indirectly. All reserves of the trust are consequently non-distributable.

1.2 Equipment

The cost of an item of tangible assets is recognised as an asset when:

- it is probable that future economic benefits associated with the item will flow to the trust; and
- the cost of the item can be measured reliably.

Costs include costs incurred initially to acquire or construct an item of tangible assets and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of tangible assets, the carrying amount of the replaced part is derecognised.

Tangible assets are carried at cost less accumulated depreciation and any impairment losses.

Depreciation is provided on all tangible assets other than freehold land, to write down the cost, less residual value, by equal instalments over their useful lives as follows:

Item	Useful lif e
Computer equipment	3 years
Computer software	2 years
Motor vehicle	5 years
Office equipment	5 years
Office furniture	6 years

The depreciation charge for each period is recognised through the equipment fund, unless it is included in the carrying amount of another asset. The gain or loss arising from the derecognising of an item of equipment is included in the equipment fund when the item is derecognised. The gain or loss arising from the derecognising of an item of equipment is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016 (Continued)

1. ACCOUNTING POLICIES (Continued)

1.2 Equipment (Continued)

It is the policy of the trust to write off all asset purchases against the operating fund in the year that the assets are acquired as most income is from funders who request that the assets be expensed in the year of purchase.

This is a deviation from IAS 16, which requires that all asset purchases are capitalised and depreciated. This deviation has been resolved by raising an equipment fund as discussed below. (refer to note **1.5**)

1.3 Financial instruments

Measurement

Financial instruments are initially measured at cost, which includes transaction costs. Subsequent to initial recognition, these instruments are measured as set out below:

Accounts receivable

Accounts receivables and accrued income are stated at cost less provision for impairment losses.

Cash and cash equivalents

Cash and cash equivalents are measured at fair value.

Accounts payable

Accounts payable which are short - term obligations, are stated at their nominal value.

1.4 Impairment

The carrying amount of assets are reviewed at financial position date to determine whether there is any indication of impairment. If there is such indication, the assets are written down to the estimated recoverable amounts. The recoverable amount is the higher of the net selling price and the value in use.

1.5 Equipment fund

In order that operating reserves reflect assets available to the operations of the trust, an equipment fund is maintained to separate out the funding of such assets.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016 (Continued)

1. ACCOUNTING POLICIES (Continued)

1.5 Equipment fund (Continued)

The mechanism whereby this fund is maintained at a value equal to the carrying value of such assets in the statement of financial position is that an amount equal to the cost of equipment acquired be charged against operating income each year and credited to the equipment fund.

Depreciation, and profits or losses on disposal are adjusted annually against the fund.

1.6 Provisions

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made.

1.7 Income recognition

Income from grants is generally brought to account in the period to which it relates.

All other income is brought to account as and when received.

1.8 Interest income

Interest is brought to account as and when received.

1.9 Expenditure recognition

Expenditure is accounted for on the accrual basis.

1.10 Project accounting and expense allocation

In terms of its contractual obligations to donors, the trust's policy is to allocate project expenses that are clearly identifiable as such, directly against project funds. Indirect and shared costs are apportioned on the basis of management estimates.

Accrued and deferred grant income is based on the balance of each project or donor fund after taking into account the direct, indirect and shared costs as described above. The unexpended surplus of the project fund is deferred to the following year or the deficit is accrued in the year under review.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016 (Continued)

1. ACCOUNTING POLICIES (Continued)

1.11 Translation of foreign currencies

The functional currency of Solidaridad Network SA Trust is South African Rands. Translations in foreign currencies are initially recorded in the functional currency using the spot rate at the date of the transaction. Foreign currency monetary items at the reporting date are translated using the closing rate. All exchange differences arising on settlement are recognised in profit or loss. The assets and liabilities of the Trust, except for equipment and deferred income, are translated at the closing rate at the reporting date. Deferred income is accounted for at the spot rate of the funds that it relates to.

Transfers from Regional Network Offices are converted at the spot rate on the date the transfers are received.

Other income and expenditure is translated at the average exchange rates for the year and the resulting exchange differences on translation is accounted for in the foreign translation reserve.

1.12 Employee benefits

Short-term employee benefits

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as paid vacation leave and sick leave, bonuses, and non-monetary benefits such as medical care), are recognised in the period in which the service is rendered and are not discounted.

The expected cost of compensated absences is recognised as an expense as the employee renders service that increases their entitlement or, in the case of non-accumulating absences, when the absence occurs.

The expected cost of bonus payments is recognised as an expense when there is a legal or constructive obligation to make such payments as a result of past performance.

S A normal tax @ 41%	321	_	4 617	_
Tribinal MA W TI/	J£ 1	-	7 017	

A provision has been made for taxation of R4,617 (€321) (2015 : Rnil (€ Nil)), as the Trust is in the process of applying for tax exemption from South African Normal tax in terms of section 10(1)(cN) as read with Section 30 of the Income Tax Act, but to date has been unsuccessful.

In the prior year there was taxable (loss) of (R158,382 (2014 : (R143,428)).

19. GOING CONCERN

The existence of the trust is dependent on the continued support of its donors, by way of grants. Should the grants be withdrawn it is highly unlikely that the trust will be able to continue as a going concern. Donors have agreed to continue supporting the trust in 2017.

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2016 (Continued)

20. FINANCIAL RISKS

20.1 Currency risk

The trust is exposed to currency risk to the extent that all transfers are received by the trust in foreign currency and the Trust also maintains two foreign currency bank accounts, one designated in Euros and the other in US Dollars.

20.2 Interest rate risk

The trust is exposed to interest rate risk, as it places funds at both fixed and floating interest rates. The risk is managed by maintaining an appropriate mix between fixed and floating rates and placings within market expectations.

20.3 Credit risk

The trust's credit risk is attributable to accounts receivable and liquid funds. The credit risk on liquid funds is limited because the counter party is a bank with credit rating assigned by international credit-rating agencies. The trust has no significant concentration of credit risk.

20.4 Liquidity risk

The trust manages liquidity risk by monitoring forecast cash flows and ensuring that adequate cash reserves are maintained.
